Counting - A Workshop by Tim Cope & Glen Holman

Entries are invited for this workshop hosted by Tim Cope & Glen Holman

You do not need to be a Professor of Mathematics to count at the bridge table. The numbers we deal with are relatively small – just 40 high card points in the pack and 13 cards in each suit. In this workshop, we will try to unravel the mysteries associated with "counting" in order to visualise the hands at the table and get the most out of declarer play and defence. We can count points, trumps and the distribution in each suit. By improving your counting techniques, each hand becomes an open book so that you can handle the cards to maximum advantage.

Where: WCBU Bridge Centre, Green Point

When: Sunday 27th January 2019, 10.30AM to 3.30PM

Entry Fee: R180 per pair (i.e. R90 per person), payable with entry

Format: Two sessions with a 45-minute lunch break in-between. In each session, you and your partner will bid and play 8 pre-dealt hands designed to test and improve your counting skills. Each hand will then be analysed and discussed in open forum. It is not a competition and there are no prizes – your reward will be better club results.

Tea/Coffee: Available on tap throughout.

Lunch: A light lunch (sandwiches) will be provided between sessions.

Entries: On-line via wcbbridge.co.za web site, or to Hilary Nick at email address below.

Payment : Cash to Hilary Nick or EFT (details below) - **No cheques will be accepted!**
