Note: You need to have played a minimum of 10 times in the WCBU BBO Pairs events to have a valid and current PI.
Each day your new PI is calculated as follows:
– If you have played, your new PI = 20% * score + 80% * old PI.
– If you have not played, your new PI = 99.85% * old PI, i.e. an erosion of 0.15%. This approximates to an erosion of 1% per week.
The "Wow Move" columns show week-on-week move in your Rank and Index respectively.
The "Over 50%" column is the percentage of your scores over 50%.
In graded events with an A and B section, section A scores have 2.5% (% points) added and section B scores have 2.5% subtracted.
