Note: The scores are cross IMP scores as calculated by BBO.

For each board your score is IMPed against all other scores and the average of these IMPs is your cross IMP score on the board.

You need to have played in a minimum of four of the five rounds to be eligible.

If your fifth score was negative, it has been discarded from your "Best Total".

Thus scores in red are excluded from the arrowed column.

All rounds consisted of 24 boards so no adjustments were necessary.
